Rhythm of the Seasons

Reader Response Worksheet

READ the book, *Rhythm of the Seasons* by Marilyn Adams, and answer the following questions.

1. Provide a description of the event that happened to Keith.

2. A. Can we assume that people are aware of the many hazards around them?

B. Explain your answer.

C. Explain the importance of education in injury intervention.

3. This book describes real people and serves as a reminder that behind every injury or fatality statistics there is a family undergoing similar feelings. Discuss the impact this book had on your over-all safety attitude and perspective.
